Comments:

25X1

- 1. Total 1952 production 3,100 tons of which 35 tons to Soviet Forces in DDR.
- 2. Total11952 production 2,400 tons.
- 3. The 1953 import figure was reduced to 8,900 tons on the understanding that a reduction in soap production was to be reckened with.
- 4. The original 1953 import figures stood at only 75,000 tires, but this was considered totally inadequate. Certain sizes have to be imported, as there is notplant in the DDR to produce them.
- 5. The 1953 export figure was reduced from 1,030,000 tons.
- 6. Total 1952 production: 243,000 tons.
- 7. The 1953 export figure originally stood at 40,000 tons, but it was not possible to sustain this and even 30,000 tons is regarded sceptically.
- 8. The export figure for 1953 may be reduced.
- 9. This export is exclusively for the USSR.
- 10. The export figure for 1953 was reduced from 700,000 tons, owing to priority building requirements in DDR.

Comment: All the quantities listed under Mineral Oils were shipped to Russia.
